

The Grind Coffee House

To all performers:

We love being able to offer our building to the public, providing entertainment to the community, and giving local bands exposure. We only ask that in return our building is respected. We wanted to make it clear to everyone what our requests of you are.

- Please keep all food and drinks out of the back room.
- No sexual or drug related comments, songs, jokes, or skits.
- No derogatory remarks regarding religion, gender or race.
- We offer the performers only the cover charge unless prior arrangements are made.

The Grind has the right to pull the plug on any performers that we feel are not respecting our guidelines.

Thanks,
The Grind
